March, 2019

19th Annual Culture Fair—A Tasty Trip Around the World

Students, staff and guests sampled a wide variety of foods from around the world at the 19th annual Culture Fair on March 2, 2019. 12 different countries/cultures were represented including Thailand, China, Mongolia, Brazil, Philippines, PNG, Nigeria, Ethiopia, Mexico, Canada, India, South Korea and more!

Recipes were submitted by the student groups, and seniors Akkarachai (Win) Prommanok and Fortuna Assefa were selected to help with the shopping.

Approximately 50 young chefs partnered with staff sponsors and spent Friday evening and most of Saturday cooking in a dozen home kitchens. The students enjoyed sharing—and we enjoyed sampling—some of their favorite flavors from home!

To see more photos, visit the [OBI Facebook page](#) and go to the Culture Fair photo album.

OBI Drama
presents

An Agatha Christie-style mystery.

Ace of Diamonds

by T. James Belich

All are invited.
Admission is free.

**March 28-30
7:00 PM
OBI Chapel**

It's not too late to order a 2018-19 yearbook!

Go to:
YearbookOrderCenter.com
Enter OBI's school code:
16605

Students: Check your OBI email over spring break and reply to emails from the yearbook staff. Your responses might get included in the yearbook!

Winter Sports Seniors involved in basketball, swimming and cheerleading were honored at the home basketball game on 2.14.18. You can find the Senior Recognition Night photo album on the **OBI Facebook** page.

Congratulations to **Donghyun (Jaden) Kim** who will be representing the OBI Academic Team at the Governor's Cup State Finals on March 17, 2019. At the regional contest, Kim placed second in math and fifth in science and will compete in both categories at state. Pictured left to right: **Ian Cushman, Ivy Kozerski, Ola Awokoya, Aliceson Barger, Jaden Kim** and Coach **Tricia Schmittendorf**.

Agriculture Students Learn to Make Maple Syrup

OBI middle school ag. students and the after school farm crew learned about the ancient art of making maple syrup. The project began on Friday afternoon, 2/8/19, when students met to identify and tap the sugar maple trees. Instructor Christa Bevil also explained the science of how temperature change affects sap flow.

On Saturday morning, the students gathered the sap while the ag. crew built a fire for the "boil down." Students assisted in straining and boiling the 35 gallons of sap they had collected. This made about three quarts of maple syrup which they enjoyed on fresh pancakes at the ag. center!
