The OBI Middle School basketball team had a strong start to their season with wins over bigger schools at the South Laurel Showcase on November 4th. Their team goals included being ranked first in the All A 13th region and winning 20 regular season games. They met both.

Coach Larry Gritton, Jr. cited the players' willingness to work, love of the game and their friendships on and off the court as contributing factors to the team's success. Gritton added, "A family atmosphere and community support at the games plus opportunities to 'play up' at the high school level in prior seasons has helped them develop. They honor the Lord with the talents He has given them, and I believe He in turn has blessed their efforts"

The team's 67-37 home court win over Williamsburg on November 21st wrapped up their regular season with a 22-1 record. On December 9th, they won the 13th Region All A Conference Tournament and will play in one more tournament on January 13th at North Laurel.
