Fall 2024

Time to Embrace 2024-25!

Move-In Day! This year, we have 17 girls and 31 boys in our dormitories. Residents hail from 14 different countries and two states.

Our first chapel service of the school year! Grades 6-12 attend chapel four days a week. Lower School meets weekly with Dr. Price. Once a month, we combine for an energetic worship service with all grades!

Middle School students are enjoying renovated classrooms in Baker Hall. State-of-the-art interactive laser display projectors were installed in each classroom, turning a wall into a smart board and allowing teachers to interact directly with Powerpoint and other programs.

Lunch with our OBI friends is a great break in the day!
