Fall 2021

## Back to School!

We were thankful to open the school year on time and in person with a large number of day students, dormitory residents and sports teams. OBI's smaller classes are benefiting many students as they get caught up after being online for part or all of last year. Our less than 60 dorm students are experiencing a unique (and quieter) year with different rules about chores and common areas.

## Fall Sports Wrap Up

Our Lady Mountaineers, comprised mostly of players new to volleyball, grew as a team throughout the season in both numbers and skill. After break, the

team will play three more regular season games followed by the district tournament on 10/16 at noon at Clay County High School.

Despite not having enough eligible players to play KHSAA games this season, the boys' soccer team developed their skills with an eye toward next year. They played a Christian school in Shelbyville, Kentucky and will travel to Grundy, Virginia on October 16th to play against Mountain Mission School.

As an individual sport, cross country offered a great way to get in shape for basketball season!

## Fall Outings

*OBI seniors visited Union College for a tour and a college football game on 9.25.21.*

*The OBI Choir has been preparing music for singing in churches after Fall Break. Students who are interested in joining the choir class should speak with Mr. Cochran.*

## Lower School Events

September 10th was **Special Guest Day** at the Lower School. Students got to spend the afternoon with their loved ones showing them their classrooms and recent projects and enjoying a snack together. The OBI volleyball team made a surprise visit near the end of school!

**Disney Day** on September 24th wrapped up a week of themed dress up days for the Lower School.

## Corn Eating Contest

To celebrate the sweet corn harvest on the OBI farm, our food service team hosted a corn eating contest at lunch on September 2nd!

Senior **James Kenney** (above) nearly tied with Mr. Schmittendorf for the most corn eaten in the middle/high school and staff contest!

**Lovey Anderson** (right), a 5th grader, was the lower school winner!
