

ONEIDA BAPTIST INSTITUTE

Founded in 1899

*Education for
Time
and Eternity*

Welcome to the website of Oneida Baptist Institute! If you are a prospective parent or student I am thrilled you are exploring our school and am hopeful the information our website provides will prove helpful as you begin to consider whether our school is the right fit for your child. If you are a perspective or current partner and friend I am hopeful you will find what you are seeking as well.

As an OBI graduate, longtime staff member, and parent of three children who have attended OBI, I am quite biased about who we are and what we do. Despite my bias, I am quite certain many others share my sentiment that OBI is a special place and has been very successful in the business of educating young people for time and eternity since 1900.

Young people come to OBI for a variety of reasons. Some are seeking a quality Christian education and some need a fresh start or smaller classroom setting. Some seek independence and the opportunity to prepare for college in a dormitory setting. Others seek an opportunity to come to America to experience and live the American dream. Regardless of the reason for choosing OBI, we will work hard every day to provide the tools and resources a student needs to have an excellent experience. We are able to provide the OBI experience at an excellent tuition rate because of the many partners and friends the Lord continues to provide for our ministry.

It is my prayer that the Lord will guide you through the important process of choosing whether or not to be a part of our school and if I can be of any service to you please contact me anytime. Thank you for visiting our site and I look forward to possibly meeting you one day. In the meantime, keep serving Christ and others and may God bless you greatly.

Yours in Christian Education,

Larry A. Gritton, Jr.
President
