Welcome

Founded in 1899, Oneida Baptist Institute has provided a quality Christian education for thousands of students similar to you. It is our belief that regardless of where you came from, God has brought you to OBI in His time. We count it an honor and privilege to be allowed to work with each individual student.

OBI is fully accredited by the Kentucky Department of Education and offers a curriculum that is designed to encourage, challenge and prepare you for college, the military, vocational training and life. In addition to academics, we greatly encourage involvement in the many co-curricular activities on campus as well as our numerous clubs and organizations.

Commuting, day students are the heart and heritage of OBI. We offer tuition-free Christian education to give the students of Clay and surrounding counties access to opportunities you may not have otherwise. One-on-one help from teachers, Christian coaches, no try outs to join sports, hearing the word of God taught in chapel services, quality facilities and programs, and meeting students from around the world are just a few reasons why OBI is a great choice!

Dorm life also provides a multitude of learning opportunities. You will need to develop good social skills as you cooperate with roommates, neighbors, dorm aids, and houseparents. Everyone living in the dormitory has daily chores that are an essential part of the Oneida tradition. Your daily chores will challenge you to balance time between school, work and other activities.

The lessons taught in OBI's living, learning and working environment are important, but our highest calling is to exhibit the love of Jesus Christ. We want you to know that you are a creation of God, and He has a specific purpose for your life. That purpose will be found most completely when you know Jesus Christ as your Lord and Savior.

It is our prayer that you take advantage of the many opportunities at OBI to discover and develop your God-given potential and to obtain an *Education for Time and Eternity*.

“Bullying” is defined as systematically and chronically inflicting physical hurt or psychological distress on one or more students. The term “bullying” implies prolonged and repeated behaviors. Students should notify a member of the administration immediately when there is a suspicion or report of ongoing activity. Wrongful or untrue claims of bullying, harassment, threats or assault are strictly prohibited. The administration reserves the right to use any disciplinary action up to and including expulsion for this type of behavior.

“Cyberbullying” is bullying that systematically takes place using electronic technology. Electronic technology includes any and all communication devices and equipment such as cell phones, computers and tablets, as well as communication tools including social media sites, text messages, chat and web sites. Examples of cyberbullying include: mean text messages or emails, rumors sent by email or posted on social networking sites and embarrassing pictures, videos, web sites or fake profiles. The administration reserves the right to use any disciplinary action up to and including expulsion in such cases. Kentucky law KRS 525.080 includes electronic communications within the definition of harassing communications, a Class B misdemeanor.

Drug & Alcohol Testing

All students will be subject to drug/alcohol testing. Any student who is asked to be tested and refuses will be expelled.

Technology Use at OBI

Oneida Baptist Institute provides internet access to students. All internet activity, including app usage, is filtered and monitored. Wireless and wired internet access at OBI requires signing in with a school-issued user ID and password. Abuse of internet access privileges may result in loss of privileges, and other consequences as determined by the Administration. All students must sign an Acceptable Use Policy and Agreement form at the start of every school year before they can use any school technologies. See the Academic Office for assistance with technology and internet issues.

Effective June 27, 2025, a new state law regarding communication between school staff and students has gone into effect. In accordance with this law, all communication must take place through a school-designated, traceable communication system. Our school will exclusively use FACTS/ParentSquare for all staff–student interactions. Accordingly:

- Staff members will not text, call, or use any social media platform to communicate with students.
- Staff may not be friends with students or belong to shared social media groups with them.
- Students are asked to remove any school staff from their social media contacts.

2. **Personal Conduct.** All students must conduct their personal affairs so there can be no opportunity for unfavorable reflections upon the Christian beliefs and mission of this school, either expressed or implied. The use of common sense, good ethical standards and discretion will guide all who attend this school in proper conduct. Any student who fails to maintain reasonable standards is subject to discipline, up to and including expulsion. It is expected that all students conduct themselves in a manner consistent with biblical standards, values, and character.
3. **Rules of Conduct.** In every school where many people interact on a regular basis, some specific rules and policies are necessary to establish acceptable standards of conduct, assure fair treatment of all students, and enhance the smooth operation of the school. Students are expected to become familiar with and abide by the standards outlined in this policy. The purpose of these rules is to maintain a school environment that protects the safety and dignity of each student without placing unreasonable restrictions on anyone. Students are expected to model appropriate behavior and conduct both on and off-campus and model relationships that demonstrate a growing Christ-likeness manifested in a lifestyle that serves and gives itself to reconcile others. Students are also expected to model appropriate language on and off-campus and model speech that demonstrates a growing Christ-likeness (Ephesians 5:4). Students shall maintain appropriate attitudes of concern for others. In summary, Christian ethics demand that students act in love and integrity, in confidentiality, and in alignment with the mission/purpose of this school.
4. **Inappropriate Conduct.** Violation of school rules and policies may result in an oral warning, a written warning, and/or expulsion of a student's position at OBI. There is no requirement that discipline be progressive or that a warning be given prior to disciplinary action, including expulsion from the school. Set forth below are some examples of misconduct which will not be tolerated by the school. This list is not exhaustive, and examples are not listed in order of seriousness.
 - a. Falsification of student records and information or other school records.

Attendance

Kentucky Law requires students to attend school regularly. Daily attendance shall be recorded by the high school attendance clerk following the guidelines set forth by the NCPSA, KyNPSC, and KDE.

Absences

Students are allowed nine (9) absences for lower school and upper school students per semester. A written or electronic note from the parent/guardian must be received by the attendance clerk within five (5) school days. Following the 3rd absence, a letter of concern will be sent to parents. Following the 6th absence, parent and student must meet with school administration to develop a plan. Students with excessive absences above the allotted amount may be referred to the county attorney for truancy.

Make-up Work When Absent

1. Regardless of the reason for a student's absence, he or she will be responsible for all make-up work. Students will be given the number of days missed plus one to complete the work they missed. For example, if a student missed three (3) days, they will have four (4) to complete the missing work. Additional days may be given at the teacher's discretion.
2. Upper School (9-12): Attendance is recorded for EACH class period. Total absences exceeding nine (9) per semester may result in the loss of the credit for that course.

Tardies

A tardy is defined as not being in the classroom when the bell rings. OBI will adhere to the following guidelines for students who are late to class during the course of each quarter.

- Three unexcused tardies are allowed per quarter
- Every unexcused tardy after three will result in disciplinary action.

Detentions

Detentions are one of the possible disciplinary actions which may be utilized during the school day. Students are notified if they have been given a detention as well as the date, time and location of their detention. If a detention is given, it must be served. It is up to the teacher and the administration what type of detention (morning, lunch, after school) and for what amount of time. Students will be given instructions to follow at their detention (i.e. where to sit, what to work on). Failure to serve a detention will result in additional detention time or further disciplinary action at the Principal's discretion.

Medications

Medications will be dispensed only by the medical coordinator during the school day. Medication will not be given during first or seventh period. Students must go to the Academic Office to get permission to see the medical coordinator.

If a day student must take prescription or non-prescription (OTC) medication during the school day, a parent or guardian must turn in the medication to the Academic Office.

Prescription and non-prescription medications must be in original packaging. Prescription medication must have the original pharmacy label. A student taking non-prescription medications must bring a note from a medical practitioner that includes the student's name and the practitioner's signature.

Classroom Behavior

Appropriate behavior in the classroom is required to insure a safe and orderly climate. Follow these guidelines.

1. In order to gain respect, students are expected to show respect to their teachers and fellow classmates.
2. Students are expected to use English to express themselves.
3. Students are not to use profanity or abusive language toward anyone.
4. Students are not to use racial, ethnic or other slang terminology.
5. Students are never to deface desks, walls, maps, bulletin boards, books, etc.
6. Returning to the dormitory during the school day is prohibited.
7. Electronic devices and headphones are not allowed to be used or seen during an academic period. Calculators and translators may be used in class at the teacher's discretion.

Chapel Service Attendance & Behavior

1. Students are required to attend school day chapel services. They are expected to be attentive and respectful.
2. The following actions may lead to behavior modification: sleeping, whispering, writing or passing notes, combing hair, chewing gum, reading books, being on phones or electronic devices, etc.
3. No gum, food, drinks, hats or headphones are allowed in the chapel.

Student Materials

- Students are required to bring textbooks, writing materials, and homework assignments to class.
- Students are responsible for all textbooks and will be charged for damaged and/or lost textbooks.

Academic Dishonesty

If a student accumulates four or more Academic Dishonesty infractions, it may result in loss of credit

and/or loss of honors recognitions including top honors and class ranking status.

Academic dishonesty is defined as:

- Using a “cheat sheet”
- Sending answers via cell phone
- Stealing a test and/or the distribution of a stolen test
- Letting another student use your work
- Doing/copying another student’s work
- Using AI in an inappropriate manner

Plagiarism is defined as:

The theft and use of another person’s ideas or writings as one’s own, with or without the knowledge of the other person. This includes not properly citing sources (including online, databases and AI) in a written work. Plagiarism will be dealt with on an individual basis.

Consequences for Academic Dishonesty

- 1st offense—1st Offense—Student will receive a disciplinary action and may redo the assignment for no more than 50% of the grade.
- 2nd offense—Student receives a 0% on the assignment and a disciplinary action. If appropriate, the teacher may require the student to redo the work and earn up to 50% on the assignment. A Saturday school may be assigned. If this is the second offense in the same class, the student's nine-week final grade is reduced by 10 points. The student will meet with the principal for a conference.
- Continued offenses—Student receives a 0% on the assignment and a disciplinary action. If appropriate, the teacher may require the student to redo the work and earn up to 50% on the assignment. For continued offenses in the same class, the student's nine-week final grade is reduced by an additional 10 points. Saturday suspension may be assigned and a meeting with the principal will take place. The student may fail the course or be expelled for continued offenses.

Final Exams

- Attendance is required on the day the assessment/project is scheduled to be administered or turned in. Students will receive a grade of zero (0) on each final not taken, which may result in receiving no credit for the class. A \$100 fee per final will be assessed for scheduling early finals.
- End of the semester assessments and projects may count no more than 10% of a student’s grade.
- Students should consult with the teacher if they feel a grading error has occurred or a grade has been misrepresented.

Summer School

High school students will be required to complete an online course for each subject they fail per semester.

Advanced Placement

Advanced Placement (AP) is designed to provide a challenge for the students who are above average in specific academic areas. Students are selected for the AP program by achievement test scores, grade point average, performance in subject areas, and teacher recommendations. The student must have the approval of the AP teacher and/or the principal before final placement can be made.

Students who exhibit outstanding academic ability are identified as candidates for this program as

early as 8th grade and are encouraged to take AP courses and to prepare for the standardized AP exams.

The program not only provides a challenge for the gifted student, but also provides the opportunity to earn college credit for the designated courses while still in high school. Credit is earned through the AP exam given by the College Board in Princeton, N.J. A grade of three or more on a scale of one to five earns credit of three or more hours in nearly all colleges across the U.S. A score of two will sometimes earn partial credit in many colleges. Any student who has been enrolled in an AP course for the entire year is encouraged to take the AP exam. **Some courses require the exam. The student will pay for all AP exams.**

Advanced Placement Grading Policy

All Advanced Placement classes will be weighted on a 5.0 scale. Teachers will cover the material on an advanced placement college level. Each teacher will grade the student with the understanding that the grade will be weighted on the following scale:

A - 90-100%	C - 70-79%	F - 0-59%
B - 80-89%	D - 60-69%	

Dual Credit

The opportunity to earn dual credit with a college/university is available to students who meet the criteria of the institute in which the dual credit is earned. Different qualifying scores on the ACT are required by different colleges in order to be eligible to take a dual credit class. See the School Counselor for more information.

Graduation & Senior Information

1. To qualify for Valedictorian, Salutatorian, and top ten the student must attend OBI for two full years. Any exceptions are at the discretion of school administration.
2. For a senior to go on the senior trip and be involved in other senior class activities, they must have passing grades and have not exceeded the number of allotted absences or received excessive disciplinary referrals.
3. In order for a senior to participate in graduation ceremonies, they may not be short more than two credits. If a student is short two credits or less, they may “walk,” and then finish the classwork during the summer.
4. The academic Latin honor system (cum laude, magna cum laude, summa cum laude) is based upon GPA, attendance, test results and overall academic record.

Grading Scale

90-100	= A = 4	(3.5-4.0)
80-89	= B = 3	(2.5-3.4)
70-79	= C = 2	(1.5-2.4)
60-69	= D = 1	(0.5-1.4)

Activities & Awards

It is OBI's policy to encourage students to participate in a variety of sports and activities according to their individual abilities and interests, recognizing that their academic work is their first responsibility. All students are encouraged and given the opportunity to participate in our interscholastic athletic program. In addition, OBI offers a wide range of clubs and organizations (see list below) which are led by OBI staff. When students are off campus, they must be diligent to represent themselves and OBI in a way that follows school policy and is pleasing to God.

Subject to change. Pay attention to the daily announcement sheet for information about these or other clubs, activities or events you may wish to join.

Athletic Eligibility

1. Before a student is eligible to participate in any sports practice or competition, he/she must meet all KHSAA bylaws including but not limited to the following:
 - A. The student must have accumulated the appropriate number of academic credits as outlined for his/her year in high school in the KHSAA bylaws. (10th – 4.5, 11th – 10, 12th – 15.5)
 - B. The student must have a transfer form on file as necessary.
 - C. If required for the student's particular situation, a ruling from the commissioner of the KHSAA must be on file.
 - D. The student must have a completed physical exam form signed by a physician on file. The exam is valid for only one year and must be renewed each year.
 - E. The student must have custodial guardian permission to play on file. This form is also valid for only one year and must be renewed each year.
2. 7th and 8th grade students may join a varsity team—excluding soccer—unless there is limited space, and they may only participate on one team per season.
3. High school students will be allowed to play multiple sports. This must be declared at the beginning of the season, and one sport will be primary and will take precedence over the secondary sport. If an athlete desires to quit either sport, they must discuss the decision with the Athletic Director. Failure to do so will result in a consequence to be determined.
4. Student-athletes will compete on teams of their biological birth gender. An exception within the scope of Title IX is if there are not enough female participants to field a female team for a particular team, female athletes may then participate on male teams.
5. Academic eligibility is checked on Monday each week of the season.
 - A. If a High School student is failing (3) classes and if a Middle School student is failing (2) classes, he/she will be ineligible the following week (Monday–Friday).
 - B. Academically ineligible students may not compete until academic eligibility is reinstated.
 - C. Academically ineligible students are allowed to practice and attend games, at home, in the stands for the first week. They are not permitted to travel with the team.
 - D. If the student is still academically ineligible the second week, they are not permitted to be at practice or games.

- E. If a student is academically ineligible three weeks in one season, he/she may be removed from the team for the rest of the season.

Athletic Attendance Policy

A student athlete must attend at least four periods in a school day or have an excused absence with doctor's note in order to play in their sport that evening unless otherwise approved by the Principal or Athletic Director.

Athletic Fees

If you choose to participate in the athletic program, your parent/guardian will be responsible for accessory/equipment fees such as cleats, caps, warm-up suits, team shoes, etc. OBI encourages the coaches to keep costs under \$75.00 per sport, per season.

Athletic Disciplinary Action

1. An athlete may be removed from a team by the coach, athletic director, or principal for inappropriate behavior which may include disrespect toward the coach, teammates, opponents, or officials as well as endangering the safety of self or others.
2. Use of tobacco products, drugs or alcohol or suspensions (in-school or out-of-school) or other inappropriate behavior may result in forfeiture of awards/letters.
3. If an athlete is removed from a team for inappropriate behavior or quits a team, he/she may not play a sport the following season without the approval of the Athletic Director.
4. School rules pertaining to dating couples apply at all times. It is the responsibility of the coach to make sure dating couples and all other students conduct themselves appropriately at practice and competitions. If a coach feels he/she cannot adequately monitor dating couples, it is his/her responsibility to remove one or both from the team.
5. Due to the diversity of the sports within the athletic program and the individuality of each coach, each team may have its own unique rules. The athletic director and principal will support each coach's rules as long as they are in compliance with the policies of OBI and KHSAA by-laws.

Athletic Injuries

1. An injured athlete may not practice/compete for the time specified in writing by a physician. He/she is expected to attend practices and competitions with the team as an observer, unless otherwise decided by the physician. Depending on the injury, a written release from a physician may be required before an athlete will be permitted to resume activities.
2. If an injury does not require a physician's diagnosis, it is up to the coach whether an athlete is excused from a practice or competition.
3. An injured athlete remains under the authority of the athletic program until the athlete is officially removed from the team.

Athletic Suspensions

1. Athletes who are suspended in-school or out-of-school during the season must attend practices but cannot attend competitions on the days of their suspension.
2. Athletes who are suspended more than three days (either in-school or out-of-school) during a season are not eligible to receive a varsity letter or team awards for that season. This will be tracked by the Athletic Director.

Athletic Summer Camp

An athlete who attends a sports camp at the school's expense agrees to the following conditions:

- Parents are responsible for arranging transportation to and from the camp.
- The athlete will participate in and complete the next year's season at OBI for that sport. Failure to do so will result in the student's being charged the amount invested in the camp by the school.
- If the athlete is unable to attend or complete a school-sponsored camp after registration has been completed, the student will be responsible for reimbursing the school all fees that were not refunded by the camp.
- Coaches may require practices before the summer camp.

Fine Arts Summer Camp

Any fine arts student who attends a camp at the school's expense agrees to the following conditions:

- Parents are responsible for arranging transportation to and from the camp.
- The student will participate in the chosen fine art throughout the next academic session at OBI. Failure to do so will result in the student's being charged a pro-rated quarter-by-quarter amount.
- If the student is unable to attend or complete a school-sponsored camp after registration has been completed, the student will be responsible for reimbursing the school all fees that were not refunded by the camp.

Dormitory Guidelines

2. If a student plans to leave campus with anyone other than the person who enrolled him/her or those listed on the Authorization for Student Sign-Out, the student's custodial guardian must send written permission or a fax to the Residence Life Director for approval. If this permission has not been received in writing, the student will not be allowed to leave campus.
3. Anyone picking up a student must have a valid photo ID.
4. If a student leaves campus without permission, OBI will notify the appropriate authorities and the custodial guardian.

4. No one is to miss school, worship activities, or work because of illness without the Residence Life Director or houseparent's permission.
5. Meals and appropriate medication will be delivered by a staff member to students who are on bedrest.

Medications

1. Prescription and non-prescription (OTC) medications must be in original packaging. Prescription medication must have the original pharmacy label.
2. Prescription and non-prescription medications are not to be kept by the student in his/her room at any time. Parents/Guardians of Dormitory Residents

Thank you for entrusting your child to us, and for allowing us to minister to them. Please join with us in praying that your child may succeed at Oneida Baptist Institute, and that they might truly receive an *Education for Time and Eternity*.

Here are a few helpful hints to help you as the parent/guardian understand and have a better experience with OBI.

1. Please be aware that in our dorm setting there are many students from many different backgrounds and value systems, therefore there are plenty of opportunities for student growth as they deal with good and bad situations. We will do our best to promote the good and hinder the bad.
2. Please do not send your child to OBI with expensive electronics, shoes, clothes, jewelry, or other items. This is for your child's benefit and to not tempt other students.
3. Please encourage your child to get involved in extra-curricular activities. Students typically do better at OBI when they are involved in a variety of activities.
4. Read this handbook carefully and contact the appropriate personnel with any questions or concerns.
5. Recommendations on how to respond to your child on the phone.
 - a. If you are going to give your child upsetting news, please let the houseparent know ahead of time so they can be prepared to help your child process the information.
 - b. When your child complains about an unfair situation, ask, "So, what can you do?" This puts the situation and the growing experience back on the child and addresses the issue. You may need to give them some helpful hints.
 - c. Another wise response is, "So, how did that work out for you?" Once again this keeps you out of an emotional trap and forces your child to learn how to handle difficult situations.

FACTS Family Portal

1. FACTS gives you access to your child's grades, schedule, and attendance.
2. FACTS may also be used to update contact information, make changes to your emergency contact and pick up lists and pay your bills on-line.
3. To sign up for access to FACTS go to www.oneidaschool.org. The FACTS icon/link is a graduation cap located at the top, right side of the home page.
4. If you need help with your username and password, contact the School Counselor.
5. You will receive an email about your child's grades weekly and after each marking period.

Billing Statements

1. The cost of caring for your child is much higher than the entrance fee and room and board you have agreed to pay. The support of our many donors and volunteers makes this possible.
2. As long as your child is enrolled, the room and board charge will remain the same even when your child is absent from campus or away on break.
3. Your billing statement will be e-mailed to you on the 15th of each month and payment is due by the end of the month. If you do not have an e-mail address, please contact the Student Billing Office to request that your statement be mailed.
4. Payments can be made on-line or by mailing us a check or money order. To pay on-line, log in to your FACTS account and follow the instructions. If you are mailing us a check, please make it payable to Oneida Baptist Institute and write your Family ID on the "for" line of the check. (Your Family ID is located near the top right of your statement.) Please mail the check to the following address:

Attn: Student Accounts

Oneida Baptist Institute
PO Box 67
Oneida, KY 40972

4. No transcripts or other records will be sent to another school until you have met all of your financial obligations to us and all payments have cleared your bank. Please be advised that we are not governed by the Federal Educational Rights and Privacy Act since we receive no funding from the U.S. Department of Education.
5. If you fail to meet your financial obligations to us, you may be asked to remove your student once your account is 30 days past due.

New Students – The First 30 Days

1. Remember, there will normally be some difficulties adjusting to a boarding school environment. Your child, however, is likely to greatly exaggerate most problems. By leaving your student with us, you have demonstrated that you have confidence in our ability to care for him/her. If your child tells you something that is alarming, feel free to call the appropriate personnel and share your concern.
2. It is natural for both the parent and student to be homesick, and it will take time to adjust. Please communicate with your child that they will be required to wait 30 days before being allowed to go home.

Telephone Calls

1. Parents/Guardians may call their child in the dormitory either on their cell phone or by calling the dorm office.
2. Profanity, abusive language, or yelling is prohibited.
3. The dormitories normally accept calls until about 15 minutes before bed check. Students soon establish a routine and tell parents the best time to call.
4. Please be patient when calling. If there is no answer, remember that houseparents are attending to the needs of students. Staff are not always in the dorm office to answer the phone.

Lost/Stolen Items

1. **We do not recommend your child bring expensive jewelry, clothing, shoes, or electronic items to the dorm, as theft and/or student irresponsibility can be an issue.**
2. If you do send your child to OBI with expensive items, we strongly advise that the items be covered by the parent's/guardian's homeowners' insurance.
3. Parents/guardians should retain a copy of all serial numbers and serial numbers of all electronics must be recorded in the dorm office.
4. We will not be responsible for lost, stolen, or damaged items.
5. If your student has lost something, he/she should check with the dorm and academic offices in case it was turned in as well as look in any places they have been (i.e. cafeteria, classrooms, chapel, bathrooms, gym, soccer field, bus, etc.)

Visitor Policy

In order that OBI may provide protection and privacy for all its students, OBI personnel must know who is on campus and the purpose of their visit. The term "visitor" will apply to anyone who is not a student or staff member of OBI. Any visitor at any time may be required to show a valid government issued photo ID.

All visitors to OBI must adhere to the following policies:

1. **School Hours:** The school is open for visitors from 7:30 AM to 4:00 PM, Monday-Friday and weekend dormitory sign-outs with prior approval. Exceptions:
 - a. attending a scheduled event as a spectator.
 - b. dropping off or picking up their student(s) from an extracurricular event or practice.
 - c. picking up or returning their student to the dorm.
 - d. pre-approved to visit their student in the dorm.
 - e. pre-approved for any other reason.
2. **Sign In:** During visiting hours, visitors must stop at the guard shack and sign in and receive a visitor's pass. If a visitor is found on campus without a visitor's pass, they may be asked to leave campus.
3. **Sign In During Closed Hours:** During closed hours, visitors must check in at one of the dorm offices. All visits to campus during closed hours should have been pre-approved with OBI Administration. If a visitor did not have pre-approval, the dorm personnel will have to seek approval from the Residence Life Director. If the dorm personnel do not get approval for the visitor to be on campus during those times, the visitor must leave campus.
4. **Only Visit Public Areas:** Visitors may not be in rooms or other locations on campus that are not open to the public.
5. **Individuals who have committed a sex crime or a criminal offense against a victim who is a minor are not permitted on campus at any time without advance written permission from OBI's president.**

All visitors must follow all OBI school policies and all requirements that the school in its discretion may impose on campus visitors. OBI reserves the right to review and change these policies as needed. OBI Administration reserves the right to revoke visitation by any visitor who fails to comply with school policies, as well as those visitors who fail to cooperate with OBI personnel or who object to the directives of OBI personnel.

Illness & Injury

We know that it is a difficult time for parents when their student is ill; there is no substitute for a parent's tender loving care. We have a student healthcare coordinator who oversees all student healthcare needs. Your child's safety and well-being is our top priority. The following is a list of procedures we follow when a student becomes ill or injured.

1. If your student is ill or injured, he/she should go to his/her houseparent before or after school. If the student becomes ill or injured during the school day, he/she should go to the academic office.
2. If the houseparent feels that your student is too ill to go to school, activities, church, etc. the houseparent will put your student on bedrest for a minimum of 24 hours.
3. If a student is placed on bedrest, his/her condition will be monitored by the houseparents with oversight by the health care coordinator.
4. If your student is taken off campus for medical care, the parent/guardian will be contacted.
5. All charges related to medical needs (including transportation) are the custodial guardian's responsibility.
6. The treatment of some medical conditions may necessitate a medical withdrawal for the student, either temporarily or permanently.

Medication

1. Prescription and non-prescription (OTC) medications must be in original packaging. Prescription medication must have the original pharmacy label.
2. OBI is not responsible for the refill of any medication.
3. Acute illness and/or injury medications will be obtained at the time they are prescribed (i.e. antibiotics).
4. The parent/guardian should see that ALL maintenance medication is on campus without interruption. If the student is on maintenance medication and an interruption of more than seven (7) days occurs, we ask that your student be withdrawn from OBI.
5. If the doctor orders a medication to be discontinued or changed in any way, a statement from the prescribing doctor is required.
6. SEE ALSO the Medication section in the Dormitory Guidelines section of this handbook.
7. Any student taking regular prescription medications will be required to have a weekly pillbox organizer. You may purchase it from the link on the [Recommended Products list](#) or one will be purchased and charged to your student's account.

Emergencies

1. Before informing your student of an emergency, we ask that the custodial guardian explain the nature of the emergency to the houseparent, so the houseparent will know how to comfort the student once he/she is off the phone.
2. If the emergency is the death of a family member or friend, the student should not be told directly. Instead, notify the Residence Life Director, who will discuss with the caller the best way to handle the situation.
3. Houseparents are always on duty but not always in the dorm office. Telephones are not manned around the clock. For telephone numbers, please refer to the telephone list on the last page of this handbook.
4. If your student leaves campus without permission, OBI will contact the custodial guardian and appropriate authorities. Please assist us by doing the following:
 - Remain in a neutral location where the student, school or police may contact you. Rest assured that as soon as the student is located you will be contacted.
 - If your student contacts you, make certain he/she is in a safe place. If not, assist him/her in looking around to see if they can visually see a place of safety. Get the location. If they can safely remain where they are, encourage them to stay there. Contact OBI immediately.

Discipline

1. It is of extreme importance that custodial guardians cooperate and support the OBI administration in the areas of discipline.
2. Custodial guardians will not be notified every time a student is disciplined.
3. Various forms of discipline are used to correct students' misbehaviors. These may include being campused (grounded), revocation of privileges, taking electronic devices or phones for a specified time period, extra hours of work, essays, suspension, etc.

Expulsions

1. When a student is expelled, the custodial guardian will be notified by a school administrator. **That notification is official and final.** Remember, custodial guardians of dormitory students have signed an agreement to remove their student from campus within 24 hours after notification of expulsion.
2. If a student says he/she is expelled, disregard those comments until you hear from OBI. Some-

times a student will decide he/she wants to go home and may try to make the custodial guardian come to get him/her.

3. The school does not tell students they are being expelled and they should not know until the custodial guardian arrives to get them. It is imperative that you **DO NOT** notify your student that he/she has been expelled. The student's actions prior to leaving greatly affect whether or not he/she can re-enroll at a future date and can prevent involvement with law enforcement. Your student will be told immediately prior to his/her departure.
4. Normally, it takes only half an hour for a student to pack his/her belongings. Custodial guardians may wish to bring extra containers for packing.
5. Students are responsible for packing all of their belongings and taking with them as much as possible when they leave. Any remaining items will be boxed and shipped once the necessary funds have been deposited with the OBI business office. The houseparents are under no obligation to search for items that the student may have loaned out or traded.
6. A student who is expelled may not return to the campus without permission from the administration.
7. After completion of two full quarters away, OBI will consider a request for readmission after receiving the following documents from the student: an application for admission, a handwritten letter stating why he/she wishes to return to OBI, how his/her behavior has changed, what he/she has learned during his/her absence, how he/she plans to behave if accepted for readmission (etc.), a transcript, and all disciplinary records.

Travel and Transportation

Dormitory students and their parents/custodial guardians are responsible for arranging transportation to and from the campus for all breaks, and when enrolling or leaving at the end of the school year. Depending on where you live, you may find that transportation will be the costliest part of your child(ren) attending our school.

General Rules—Transportation

1. The two required breaks are Christmas break and Spring break. Please refer to the school calendar for dates and times. Please do not ask if your student may leave early or return late.
2. For the summer: If your student is playing a spring sport, check with the coach before arranging end-of-year travel plans. Some sports compete beyond the last day of school.
3. **Students must never leave the campus without being signed out!**
4. Anyone picking up a student must have a valid photo ID. OBI administration reserves the right to deny someone taking a student off campus if safety or security is at risk.
5. Dorm students will not be released to any driver under the age of 21.
6. The dorms will close at 4:00 PM at the start of required breaks and not reopen until 1:00 PM at the end of required breaks. A \$20.00 per hour late fee will be charged for students not picked up by 4:00 PM at the start of required breaks.
7. Travel plans that are not completed three weeks before a break will incur a fee. Plans must include the name of the person picking your student up at OBI or at the Lexington airport. If flying, the travel itinerary and the name of a person where the student will be staying is needed.
8. Please email transportation information or questions to: studenttravel@oneidaschool.org.
9. Special permission is needed if you plan for your student to ride with anyone other than the person who enrolled him/her or those listed on the Authorization for Student Sign-Out.
10. The student's custodial guardian must send written permission with a signature to the school. Scan your signature into an email to the School Counselor, jennifer.monday@oneidaschool.org, fax (606-847-4496) or send a letter noted as "authorization for pick up."

Current Travel Options for Dormitory Students

1. **Pick Up/Drop Off on Campus** - The school must know who will sign the student out, and they must be on the Authorization for Student Sign Out list.
2. **Air Travel** - Transportation by OBI to and from Lexington, KY is available on required breaks ONLY. See *Air Travel Reminders and Transportation Fees* on the next two pages.
3. **Meet At Airport** - If space is available, we will allow your student to ride to/from the Lexington airport with our students that are flying (required breaks only). You will need to include that choice on your student's travel plans. Students with flights will be assigned buses based on their flight times, and students meeting at the airport will fill in the spaces. They will sign a transportation form on the bus each way, and the fee will be added to your school billing.
4. **Carpool** - You may email the Residence Life Director (RLD@oneidaschool.org) and give permission for your name and contact information to be shared with families in your area. An email will be sent to connect any interested, and then it is up to the group to decide who will drive each time, or how you will share in the transportation. You must add each pick-up driver to your student's Authorization for Sign Out on FACTS. If you want your student to have travel money, you should send money or a debit/credit/gift card to your student for that purpose. The school will

not distribute travel money.

5. **Cab Services** - There are many cabs that operate out of Lexington and are parked outside the airport. You must prearrange payment and times with them. The following companies have come to our campus, but you may find others:

- Airport Shuttle/Cornett Cab in Lexington, KY 859-967-6195
- Khan Russell 859-489-0312

Air Travel Reminders

1. **AGE** – Each airline has its own rules about minimum age and escort age. If your student is under 16, you need to check this before you purchase tickets. The airline will charge an additional fee if your student must fly as an unaccompanied minor.
 - A. You must pay the airline fee before we take your student to the airport.
 - B. OBI will charge \$50.00 each way to provide the required escort for that student.
 - C. The escort will sign the student over to the airline personnel before boarding and stay until his/her flight leaves. On return, the escort will sign for the minor at the gate when he/she arrives.
 - D. Contact the Travel Coordinator for the name of the OBI escort who is accompanying the student at the Lexington airport.
2. **TICKETS** – Check various websites to compare ticket costs and times. Email the airline name and the confirmation number to: studenttravel@oneidaschool.org.
3. **CHANGES** – Many times there are flight delays and sometimes cancellations. If your student rides OBI transportation, we will help your student check in at the airport. After that, if there are flight changes, they will need to contact their parent/guardian for direction. For unaccompanied minors, the escort will notify you of the change. On return flights, please call the dorm with any delays or cancellations.
4. **LUGGAGE** – Check the airline rules about luggage as a few have changed recently. Some airlines will let you pre-pay luggage when you purchase the ticket. Most will only accept a credit/debit card to pay for luggage at check-in. Others charge extra if paid at departure. Most students should be able to travel with only a carry-on since they are not required to take everything home. However, some airlines charge for carry-ons.
5. **TRAVEL MONEY** for food/beverages is required for students taking public transportation. You need to provide a debit/credit card or a Visa gift card with a minimum \$25 balance if flying.
6. Some advice as you consider the amount of travel money to provide for your student: Delays and/or long hours of travel make it necessary for your student to have food/emergency money. One year, we had a lot of snow, and flights were cancelled until the next day. Most students only had \$25.00 in travel money, which is not enough for multiple meals in an airport. Remember, once your student (non-minor) has been transported to the airport, they are your responsibility. If students must stay overnight in an airport because of missing a connection, the airline might provide a motel, but your student will still need food money.
7. **IDENTIFICATION** –
 - A. TSA requires persons over 18 to have a government-issued ID. This can be a passport or Real ID.
 - B. While the TSA does not require ID for minors, airlines may have their own specific policies, especially for unaccompanied minors.
 - C. OBI can provide student IDs for those under 18, but they must be turned back in upon return to campus. There is a charge for reprinting lost ID cards.
8. **SCHEDULING** – Students should not leave before school is dismissed. If leaving early is neces-

sary because of their flight, they must get prior approval from the principal. The parent/guardian will need to arrange transportation with a cab/limo service. OBI transportation leaves after school is dismissed.

9. **TERMINAL** – The Lexington airport is relatively small and is easy to navigate. On outgoing flights, the student should go through security about one hour before their scheduled flight departure. There are food services upstairs. Upon return from break, students should go straight to baggage claim and wait in the seating area closest to baggage for OBI transportation.
10. **BEHAVIOR** – Please talk to your student about how he/she should behave. Their poor behavior could require you to make personal travel arrangements to and from our campus or lead to their expulsion. Security at the airport takes behavior very seriously. Whether your student is flying or being met at the airport they should know how to behave to avoid problems.

OBI Transportation Schedule

OBI has limited transportation available at specific times and is billed according to our fee schedule. If your student's travel does not fall in our transportation schedule you will need to arrange pickup by personal car, cab or limo service. Be aware few cabs will provide escort service for minors.

OBI transportation is only available after school is dismissed (outgoing) and before bed check (returning).

Start date of break

- Lexington Bluegrass Airport- Schedule flights to depart after 2:30 PM.

- The number of buses will depend on how many returns we know about in advance.
