Outstanding. Bold. Inspiring.

Welcome

Founded in 1899, Oneida Baptist Institute has provided a quality Christian education for thousands of students similar to you. It is our belief that regardless of where you came from, God has brought you to OBI in His time. We count it an honor and privilege to be allowed to work with each individual student.

Our primary function is as a school, but we have the opportunity to minister to you in many other areas as well. OBI is fully accredited by the Kentucky Department of Education and offers a curriculum that is designed to encourage, challenge and prepare you for college, the military, vocational training and life. In addition to academics, we greatly encourage involvement in the many cocurricular activities on campus as well as our numerous clubs and organizations.

Commuting, day students are the heart and heritage of OBI. We offer tuition-free Christian education to give the students of Clay and surrounding counties access to opportunities you may not have otherwise. One-on-one help from teachers, Christian coaches and no try outs to join sports, hearing the word of God taught in chapel services, quality facilities and programs, and meeting other students from around the world are just a few reasons why OBI is a great choice!

Dorm life also provides a multitude of learning opportunities. You will need to develop good social skills as you cooperate with roommates, neighbors, hall monitors, and houseparents. Everyone living in the dormitory has daily chores that are an essential part of the Oneida tradition. Most of your chores will take place after school, which will challenge you to balance time between school, work and other activities.

The lessons taught in OBI's living, learning and working environment are important, but our highest calling is to exhibit the love of Jesus Christ. We want you to know that you are a creation of God, and He has a specific purpose for your life. That purpose will be found most completely when you know Jesus Christ as your Lord and Savior.

It is our prayer that you take advantage of the many opportunities at OBI to discover and develop your God-given potential and to obtain an *Education for Time and Eternity*.

OBI Dating Policy

At OBI, we believe that relationships are an essential part of the Christian faith. The most important relationship any person can ever have is with Christ. Second to our relationship with Christ is our relationship to others. We want our students to build positive, influential friendships and relationships with the people around them. One of the most important relationships a person may have is with the person they choose to marry. Therefore, we believe that cultivating healthy dating practices is an essential part of individual growth.

All high school aged students at OBI are allowed to date within the guidelines we set. Dating privileges may be revoked by the Dean of Students should the students not conduct themselves or their relationship in accordance with these guidelines.

1. During the first 30 days of each school year, there will be no dating for any student. We want students to use this time to focus on their classes, adjust to being in the dorms, get involved in activities, and build friendships. Students are expected to refrain from appearing exclusive, holding hands, and calling each other boyfriend/girlfriend during this time.
2. During the first 30 days, all dorm students will attend a Dating Discipleship Class on campus. This class will teach principles of Christian dating for students who may date at some point in their lives.
3. Dating relationships are only allowed between students of the opposite sex.
4. Students who wish to pursue a dating relationship at OBI must meet with the Dean of Students for approval. During this meeting we will discuss expectations and boundaries for student relationships.
5. Guidelines:
 - a. Couples are only allowed to be together in the presence of OBI staff.
 - b. Couples are never to be alone and should not linger on the fringes of the group by lagging behind, running ahead, or being the last people in an area.
 - c. Couples are expected to limit physical contact with each other to hand holding only.
 - d. Couples are expected to interact in a respectful and modest manner with each other, adults, and other students.
 - e. Couples should maintain good grades and not prioritize their relationship over education.
 - f. Couples are encouraged to balance their time by branching out from each other and becoming involved in cocurriculars, sports, and/or group activities.
6. After meeting with the Dean of Students, dating students will need to ask a staff couple to be their mentor. Dating students will meet with their mentor couple at least twice per month and complete a book/workbook from our “dating library.”
7. Dating students will be allowed one off campus date per month accompanied by their mentor couple. Approval for this date is at the discretion of the mentors and the Dean of Students and is based on the students’ maturity and adherence to dating guidelines.

3. A student who is expelled may not return to the campus without administrative permission.

After completion of two full quarters in another school, OBI will consider a request for readmission after receiving the following documents from the student: an application for admission; a handwritten letter stating why the student wishes to return to OBI, how their behavior has changed, what the student has learned during the absence, how the student plans to behave if accepted for readmission; a transcript, all disciplinary records and a letter of recommendation from the principal of the current school. Upon receiving these documents, the OBI President will review them with the Principal and Dean of Students. OBI Student Code of Conduct

1. Policy Inclusions. Oneida Baptist Institute's code of conduct is rooted in its sincerely held religious beliefs and is consistent with the following: The Ten Commandments (Exodus 20:2-17), The Great Commandments as stated by Jesus Christ (Matt. 22:37-40).
2. Personal Conduct. All students must conduct their personal affairs so there can be no opportunity for unfavorable reflections upon the Christian beliefs and mission of this school, either expressed or implied. The use of common sense, good ethical standards and discretion will guide all who attend this school in proper conduct. Any student who fails to maintain reasonable standards is subject to discipline, up to and including expulsion. It is expected that all students conduct themselves in a manner consistent with biblical standards, values, and character.
3. Rules of Conduct. In every school where many people interact on a regular basis, some specific rules and policies are necessary to establish acceptable standards of conduct, assure fair treatment of all students, and enhance the smooth operation of the school. Students are expected to become familiar with and abide by the standards outlined in this policy. The purpose of these rules is to maintain a school environment that protects the safety and dignity of each student without placing unreasonable restrictions on anyone. Students are expected to model appropriate behavior and conduct both on and off-campus and model relationships that demonstrate a growing Christ-likeness manifested in a lifestyle that serves and gives itself to reconcile others. Students are also expected to model appropriate language on and off-campus and model speech that demonstrates a growing Christ-likeness (Ephesians 5:4). Students shall maintain appropriate attitudes of concern for others. In summary, Christian ethics demand that students act in love and integrity, in confidentiality, and in alignment with the mission/purpose of this school.
4. Inappropriate Conduct. Violation of school rules and policies may result in an oral warning, a written warning, and/or expulsion of a student's position at OBI. There is no requirement that discipline be progressive or that a warning be given prior to disciplinary action, including expulsion from the school. Set forth below are some examples of misconduct which will not be tolerated by the school. This list is not exhaustive, and examples are not listed in order of seriousness.
 - a. Falsification of student records and information or other school records.

 - m. Engaging in behavior that suggests a willful violation of the religious beliefs and practices of this school including engaging in sexual acts and/or relationships outside the confines of biblical marriage between one man and one woman and rejection of one's sex assigned by God at birth.

9. Wading or swimming in the river, pond, or reservoir is prohibited.
10. Students fishing in the farm pond do not need a Kentucky fishing license, but must be accompanied by an adult.
11. Only supervised students are permitted to be around Baker Hall, around or behind Russell Hall, past the north end of the Gritton Gym or on Cemetery Hill.

Campused ("Grounded")

1. Being "campused" means you are restricted to the dorm area. The exceptions are:
 - a) To go to work
 - b) To go to school

- c) To go to the dining hall
 - d) To go to sports
 - e) To attend worship services
2. "Breaking campus" will result in additional consequences, suspension, and possible expulsion for repeated violations.

Student Supplies, Spending Money

1. Students (or parents/guardians on their behalf) may order supplies to be shipped to OBI from Target, Walmart, Amazon, etc. Students will also have access to a Dollar General near campus.
2. We recommend that students do not keep large amounts of cash but instead keep a debit card.

Mail and Packages

Students sign for their personal mail/packages at their dorm office. All mail/packages are subject to inspection by a houseparent in front of the recipient. Any items received that are not allowed at OBI will be held until the next homegoing.

Worship Service Attendance & Behavior

1. Students are required to attend church on Sunday. They are expected to be attentive and respectful during all worship services.
2. The following actions may lead to behavior modification: sleeping, whispering, writing or passing notes, combing hair, chewing gum, reading books, etc.
3. No gum, food, drinks or headphones are allowed in the chapel.

Fire Drill

When a fire alarm sounds, everyone in that building must go to the designated area in a timely but safe manner for roll call and instructions.

Required Homegoings & Transportation

1. There are three required homegoings: Fall Break, Christmas and Spring Break. Students may NOT leave early or return late.
2. Parents/guardians must arrange for a place for their child(ren) to stay during the Required Homegoings (Fall, Christmas, Spring Breaks) when the dormitories are closed. Students are not required to take everything home during these breaks.
3. Students and their legal parents/guardians are responsible for arranging transportation to and from the campus for all breaks and when enrolling or leaving at the end of the school year.
4. All travel plans must be coordinated with the Dean of Students. OBI offers scheduled specific transportation for a fee that may be requested if it fits your travel plans.
5. Parents must make arrangements for students to be off campus by 3:00 PM on the day that break begins.
6. Dormitories reopen Sunday at 9:00 AM at the end of each break. Students may not leave or return early without special permission.
7. Dormitory students are not allowed to have vehicles on campus.
8. Notify the dorm of any change in transportation (missed buses, flights, connections; car trouble, unavailable seating; etc.).
9. DO NOT ask a staff member to take you for the break.
10. Public Transportation—When traveling by airplane or cab you will be expected to behave and be respectful. Your poor behavior could require your parent/guardian to make personal travel arrangements to and from our campus or could lead to your expulsion.

Leaving Campus

1. Students must never leave the campus without being signed out! The person taking the student off campus must sign the form in the presence of a houseparent and must sign them back in upon return.
2. If a student plans to leave campus with anyone other than the person who enrolled him/her or those

listed on the Authorization for Student Sign-Out, the student's custodial guardian must send written permission or a fax to the Dean of Students for approval. If this permission has not been received in writing, the student will not be allowed to leave campus.

3. Anyone picking up a student must have a valid photo ID.
4. If a student leaves campus without permission, OBI will notify the appropriate authorities and the custodial guardian.

Permission to Leave Campus Form

For a student to receive a "pass" to leave campus, a form must be completed by the student or staff requesting to take the student off campus and submitted no later than two (2) days prior to the event. Exceptions are for Thanksgiving Break or for a club, class or group outing when a group list will be made by the Dean of Students.

Forms Denied

1. The work supervisor/coach can deny the request if the student is needed for a job/game.
2. The Dean of Students can deny based on behavior.
3. The student can be denied based on the number of times they have left campus, where they are going, or who they are going with, or for not doing their pass on time.
4. Grades.
5. Administration reserves the right to deny for other reasons.

Passes (permission to leave campus) and Non-Required Breaks

- Non-required breaks include Thanksgiving break and home visits for day, overnight, or weekend.
- Students may not leave early or return late.
- Students may receive day passes for Saturday to 10:00 PM or Sunday to 6:00 PM only.
- Overnight or weekend passes would be for departure after the academic day on Friday and return by 6:00 PM on Sunday.
- An overnight pass is for you to spend time with your family. You may not stay overnight with any OBI staff.
- OBI Administration will not approve a dorm student being signed out by a local/day student or a local student's family.
- Dorm students will not be released to any driver under the age of 21.

Passes are allowed by the following schedule:

- One day and one overnight/weekend pass between the start of school and Fall Break and the same during summer school and work program.
- Two day and two overnight passes between Fall Break and Christmas Break (Thanksgiving counts as one weekend) and between Christmas Break and Spring Break and between Spring Break and the end of school.

Passes with staff (which is in addition to the above passes)

- You may not stay overnight at a staff member's house.
- You may have only two passes per month to go off campus with any staff member, and they must be with different staff. You may only have one visit per month with the same staff member.

Illness

1. A student who is ill should report by 7:15 AM to the dormitory office. Do not send a friend or roommate to tell the houseparent you are sick.
2. A dorm student who is deemed (by a houseparent or the Dean of Students) too ill to attend school, work, or worship will remain in his/her room on bedrest for a minimum of 24 hours.
3. In an effort to contain the spread of virus/germs, students on bedrest are not permitted to have visitors in their room, nor should they be visiting with students outside of their room.

4. No one is to miss school, worship activities, or work because of illness without the Dean of Students or houseparent's permission.
5. Meals and appropriate medication will be delivered by a staff member to students who are on bedrest.
6. A staff member will conduct hourly well-checks on students on bedrest. When necessary, the staff member may be away from the dorm. In this case, students on bedrest will be given a two-way radio to reach the staff member on duty if they need something.

Medications

1. Prescription and non-prescription medications are not to be kept by the student in his/her room at any time. This includes all medication—aspirin, vitamins, cough syrups, hydrogen peroxide, alcohol, ear and eye drops, herbs, etc. Exception: prescribed asthma inhalers or epi-pens if a signed permission form is on file.
2. All medicine will be kept and distributed by the houseparents at specified times, with the exception of prescribed asthma inhalers/EpiPens.
3. Students should see the houseparent on duty in a timely manner to obtain medications. Refusing to take required medication as prescribed may result in disciplinary action.
4. Beginning school year 2021-2022, all students who take vitamins and/or medication on a daily basis will be required to use a pre-packaging prescription service. Here are links to some common service providers:

<https://www.accupacrx.com/>

<https://www.cvs.com/content/pharmacy/simpliedose>

<https://www.pillpack.com/>

<https://www.simplemeds.com/>

This service is free to parents, and they take most insurances. The prescription service will package and ship vitamins and prescription medication straight to the school. Not only will this help OBI organize and distribute vitamins and/or medications to our students, it will also be a convenience to parents/guardians who would normally have to stop at the pharmacy, package the medication, then ship them to OBI while ensuring the student is never without their medication.

Telephones in the Dorms

1. Students may not receive calls after bedcheck.
2. Boys and girls are not allowed to call other dormitories.
3. Profanity, abusive language, yelling or slamming the phone may result in loss of phone privileges for a period of time.

Visitor Guidelines – see additional Visitor Policy, page 30

1. The term “visitor” will apply to anyone who is not a student or staff member of OBI. Any visitor at any time may be required to show a valid government issued photo ID.
2. All visitors must report to the dorm office upon arriving at the dormitory. All visitors should give advance notice and have approval from the Dean of Students before visiting any student. All former students must be following current dress code.
3. Students are not to be in or around any car except when signed out to leave campus.
4. All visitors must follow OBI school policies and procedures. Ask a staff member if you are unsure about a policy or procedure.
5. Visitors may only be in designated areas that are open to the public.
6. At no time can a student walk around campus with a non-parent/custodian visitor unless prior approval has been granted by the Dean of Students.
7. Individuals who have committed a sex crime or criminal offense against a victim who is/was a minor are not permitted on campus at any time without advance written permission from OBI's President.
8. OBI reserves the right to revoke visitation by any visitor who fails to comply with school policies, as well as those visitors who fail to cooperate with OBI personnel or who object to the directives of OBI personnel.

School Day Policies and Procedures

Attendance

Daily attendance shall be recorded by the high school secretary as required by the NCPSA, KyNPSC, and KDE.

1. All absences are unexcused except the following:
 - A. Illness, with a doctor's excuse
 - B. Emergency in the family with a written explanation
 - C. Death in the immediate family
 - D. Official school activities
 - E. Bedrest for dormitory residents as assigned by a houseparent
 - F. Those approved by the Principal (i.e. delayed entrance, early exit, hospitalization, other serious documented events)
2. When a student is absent, it is his or her responsibility to provide the appropriate documentation (excuse in written form) to the academic office. The documentation will be noted as excused or unexcused. ALL absences will be logged as unexcused unless the student provides written documentation or is exempted by the administration.
3. Regardless of the reason for a student's absence, he or she is responsible for all make-up work.
4. When commuting students are absent, their parents will be called.
5. After 10 unexcused absences Saturday school will be assigned minute per minute of missed seat time as determined by the Principal. A notification letter will be sent to the parents/guardians and student at six (6) unexcused absences.
6. For each subsequent unexcused absence an additional Saturday school will be assigned.
7. **High School** - Total absences exceeding 10 may result in loss of course credit.
Middle School - Total absences exceeding 10 may result in student not advancing to the next grade.
8. **Habitual, excessive absences may result in dismissal.**
9. Students attending summer school may not miss more than two and one-half days in any quarter. Additional absences will result in loss of credit for the quarter.

Tardies

A tardy is defined as not being in the classroom when the bell rings. OBI will adhere to the following guidelines for students who are late to class during the course of each quarter.

- Three unexcused tardies are allowed per quarter
- Every unexcused tardy after three will result in disciplinary action.

Detentions

Detentions are one of the possible disciplinary actions which may be utilized during the school day. Students are notified in writing if they have been given a detention as well as the date, time and location of their detention. If a detention is given, it must be served. It is up to the teacher and the administration what type of detention (morning, lunch, after school) and for what amount of time. Students will be given instructions to follow at their detention (i.e. where to sit, what to work on). Failure to serve a detention will result in additional detention time or further disciplinary action at the Principal's discretion.

Medications

Medications will be dispensed only by the medical coordinator during the school day. Medication will not be given during first or seventh period. Students must go to the Academic Office to get permission to see the medical coordinator.

Academic Assistance/Make-up Work

Students are required to make up all assignments, quizzes/tests, projects, etc. regardless of the reason(s) they are absent. Following are the general guidelines:

1. When students attend extended school trips or must go home for any official reason, they should ask their teachers for assignments.
2. One day will be allowed for each excused day of school missed to make up any missed quizzes/tests.
3. A student with an unexcused absence will be required to take the quizzes/tests the day he/she returns to school. After this grace period, uncompleted work will be recorded as a 0%. Unexcused absences may result in a grade penalty of 50%.
4. When students are suspended from school, assignments will be collected and placed in the academic office. Students are responsible for picking up their assignments after school. Students who are suspended out-of-school are not allowed in the classroom buildings during the school day.
5. Teachers may not refuse to give make-up assignments, assessment(s), projects, etc.

Classroom Behavior

Appropriate behavior in the classroom is required to insure a safe and orderly climate. Follow these guidelines.

1. In order to gain respect, students are expected to show respect to their teachers and fellow classmates.
2. Students are expected to use English to express themselves.
3. Students are not to use profanity or abusive language toward anyone.

5. Students are never to deface desks, walls, maps, bulletin boards, books, etc.
6. Returning to the dormitory during the school day is prohibited.
7. **Electronic devices and headphones are not allowed to be used or seen during an academic period.** Calculators and translators may be used in class at the teacher's discretion.

Student Materials

1. Students are required to bring textbooks, writing materials, and homework assignments to class.
2. Students are responsible for all textbooks and will be charged for damaged and/or lost textbooks.

Academic Dishonesty

If a student accumulates four or more Academic Dishonesty infractions, it may result in loss of credit, loss of honors recognitions including top honors and class ranking status.

Academic dishonesty is defined as:

- Using a "cheat sheet"
- Sending answers via cell phone
- Stealing a test and/or the distribution of a stolen test
- Letting another student use your work
- Doing/copying another student's work

Plagiarism is defined as:

- The theft and use of another person's ideas or writings as one's own, with or without the knowledge of the other person. This includes not properly citing sources in a written work. Plagiarism will be dealt with on an individual basis.

Consequences for Academic Dishonesty

- 1st offense—1st Offense-Student will receive a disciplinary action and may redo the assignment for no more than 50% of the grade.
- 2nd offense—Student receives a 0% on the assignment and a disciplinary action. If appropriate, the teacher may require the student to redo the work. A Saturday school may be assigned. The student's nine-week final grade is reduced by 10 points. The student will meet with the principal for a conference.
- Continued offenses—Student receives a 0% on the assignment and a disciplinary action. If appropriate, the teacher may require the student to redo the work. The student's nine-week final grade is reduced by an additional 10 points. A Saturday suspension may be assigned and a meeting with the principal will take place. The student may fail the course or be expelled for continued offenses.

Final Exams

- Attendance is required on the day the assessment/project is scheduled to be administered or turned in. Students will receive a 0% on each final not taken, which may result in receiving no credit for the class.
- End of the semester assessments and projects may count no more than 10 percent of a student's grade.
- Students should consult with the teacher if they feel a grading error has occurred or a grade has been misrepresented.

Summer School

Summer school will be required if a student in 7th-8th grade fails one or more core classes for the year (math, science, social studies, literature or grammar) or has excessive absences. High school students will be required to attend summer school for each subject they failed each quarter. Students may attend summer school for other reasons as well.

Retention

Grade retention will be administered if a student in 6th - 8th grade fails three or more core classes for the year (math, science, social studies, literature, and grammar). The student will be required to repeat the grade in the following school year.

Advanced Placement

Advanced Placement (AP) is designed to provide a challenge for the students who are above average in specific academic areas. Students are selected for the AP program by achievement test scores, grade point average, performance in subject areas, and teacher recommendations. The student must have the approval of the AP teacher and/or the principal before final placement can be made.

Students who exhibit outstanding academic ability are identified as candidates for this program as early as grade eight and are encouraged to take AP courses and to prepare for the standardized AP exams.

The program not only provides a challenge for the gifted student, but also provides the opportunity to earn college credit for the designated courses while still in high school. Credit is earned through the AP exam given by the College Board in Princeton, N.J. A grade of three or more on a scale of one to five earns credit of three or more hours in nearly all colleges across the United States, including Harvard and Princeton. A score of two will sometimes earn partial credit in many colleges. Any student who has been enrolled in an AP course for the entire year is encouraged to take the AP exam. The student will pay for all AP exams.

Advanced Placement Grading Policy

All Advanced Placement classes will be weighted on a 5.0 scale. Teachers will cover the material on an advanced placement college level. Each teacher will grade the student with the understanding that the grade will be weighted on the following scale:

- A - 90-100%
- B - 80-89%
- C - 70-79%
- D - 60-69%
- F - 0-59%

Dual Credit

The opportunity to earn dual credit with a college/university is available to students who meet the criteria of the institute in which the dual credit is earned. Different qualifying scores on the ACT are required by different colleges in order to be eligible to take a dual credit class. See the Guidance Counselor for more information.

Graduation & Senior Information

1. To qualify for Valedictorian, Salutatorian and top ten the student must attend OBI for two full years.
2. In order for a senior to go on the senior trip and be involved in other senior class activities, they must

have passing grades, especially during the spring semester.

3. In order for a senior to participate in graduation ceremonies, they may not be short more than two credits. If a student is short two credits or less, they may “walk,” and then finish the classwork during the summer.

Activities & Awards

It is OBI's policy to encourage students to participate in a variety of sports and activities according to their individual abilities and interests, recognizing that their academic work is their first responsibility. All students are encouraged and given the opportunity to participate in our interscholastic athletic program. In addition, OBI offers a wide range of clubs and organizations which are led by OBI staff and usually meet in the evenings and/or on weekends. Students who are engaged in athletics and dorm life are encouraged to attend and participate in these additional activities as well (see list below).

When students are off campus, they must be diligent to represent themselves and OBI in a way that follows policy and is pleasing to God.

Subject to change. Pay attention to the daily announcement sheet for information about these or other clubs, activities or events you may wish to join.

Athletic Eligibility

- Before a student is eligible to participate in any sports practice or competition, he/she must meet all KHSAA bylaws including but not limited to the following:
 - The student must have accumulated the appropriate number of academic credits as outlined for his/her year in high school in the KHSAA bylaws. (10th – 4.5, 11th – 10, 12th – 15.5)
 - The student must have a transfer form on file as necessary.
 - If required for the student's particular situation, a ruling from the commissioner of the KHSAA must be on file.
 - The student must have a completed physical exam form signed by a physician on file. The exam is valid for only one year and must be renewed each year.
 - The student must have custodial guardian permission to play on file. This form is also valid for only one year and must be renewed each year.
- Seventh and eighth-grade students may join a varsity team—excluding soccer—unless there is limited space, and they may only participate on one team per season.
- High school students will be allowed to play multiple sports. This must be declared at the beginning of the season, and one sport will be primary and will take precedence over the secondary sport. Quitting either sport without the Athletic Director's consent will result in loss of a letter for both sports.
- Student-athletes will compete on teams of their biological birth gender. An exception within the scope of Title IX is if there are not enough female participants to field a female team for a particular team, female athletes may then participate on male teams.

Athletic Attendance Policy

A student athlete must attend at least four periods in a school day or have an excused absence with doctor's note in order to play in their sport that evening.

Athletic Fees

If you choose to participate in the athletic program, your parent/guardian will be responsible for accessory/equipment fees such as cleats, caps, warm-up suits, team shoes, etc. OBI encourages the coaches to keep costs under \$75.00 per sport, per season.

Athletic Disciplinary Action

1. An athlete may be removed from a team by the coach, athletic director, or principal for inappropriate behavior which may include disrespect toward the coach, teammates, opponents, or officials as well as endangering the safety of self or others.
2. Use of tobacco products, drugs or alcohol or suspensions (in-school or out-of-school) or other inappropriate behavior may result in forfeiture of awards/letters.
3. If an athlete is removed from a team for inappropriate behavior or quits a team, he/she may not play a sport the following season without the approval of the Athletic Director.
4. School rules pertaining to dating couples apply at all times. It is the responsibility of the coach to make sure dating couples and all other students conduct themselves appropriately at practice and competitions. If a coach feels he/she cannot adequately monitor dating couples, it is his/her responsibility to remove one or both from the team.
5. Due to the diversity of the sports within the athletic program and the individuality of each coach, each team may have its own unique rules. The athletic director and principal will support each coach's rules as long as they are in compliance with the policies of OBI and KHSAA by-laws.

Athletic Injuries

1. An injured athlete may not practice/compete for the time specified in writing by a physician. He/she is expected to attend practices and competitions with the team as an observer, unless otherwise decided by the physician. Depending on the injury, a written release from a physician may be required before an athlete will be permitted to resume activities.
2. If an injury does not require a physician's diagnosis, it is up to the coach whether an athlete is excused from a practice or competition.
3. An injured athlete remains under the authority of the athletic program until the athlete is officially removed from the team.

Athletic Suspensions

1. Athletes who are suspended in-school or out-of-school during the season must attend practices but cannot attend competitions on the days of their suspension.
2. Athletes who are suspended more than three days (either in-school or out-of-school) during a season are not eligible to receive a varsity letter or team awards for that season. This will be tracked by the Athletic Director.

Athletic Summer Camp

An athlete who attends a sports camp at the school's expense agrees to the following conditions:

- a) Parents are responsible for arranging transportation to and from the camp.
- b) The athlete will participate in and complete the next year's season at OBI for that sport. Failure to do so will result in the student's being charged the amount invested in the camp by the school.
- c) If the athlete is unable to attend or complete a school-sponsored camp after registration has been completed, the student will be responsible for reimbursing the school all fees that were not refunded by the camp.
- d) Coaches may require practices before the summer camp.

Fine Arts Summer Camp

Any fine arts student who attends a camp at the school's expense agrees to the following conditions:

- Parents are responsible for arranging transportation to and from the camp.
- The student will participate in the chosen fine art throughout the next academic session at OBI. Failure to do so will result in the student's being charged a pro-rated quarter-by-quarter amount.
- If the student is unable to attend or complete a school-sponsored camp after registration has been completed, the student will be responsible for reimbursing the school all fees that were not refunded by the camp.

Parents and Guardians

Welcome to OBI

Thank you for entrusting your child to us, and for allowing us to minister to them. Please join with us in praying that your child may succeed at Oneida Baptist Institute, and that they might truly receive an “Education for Time and Eternity.”

Understanding that everyone has certain strengths and weaknesses, it is the goal and objective of OBI to develop the God-given potential of each student in our school. We strive to provide a climate for youth that is conducive to the development of the following:

- respect for authority
- honesty in word and action
- the highest moral Christian behavior
- well-adjusted and responsible personality
- strong physical vigor
- an appreciation of the value of education
- the attainment of each student’s highest intellectual potential

Here are a few helpful hints to help you as the parent/guardian understand and have a better experience with OBI.

1. Please realize that churches and individuals have been supporting OBI since 1899. Your tuition only covers about 33% of the actual cost. We will do our best with the available funds to help your child succeed.
2. Please be aware that in our dorm setting there are many students from many different backgrounds and value systems, therefore there are plenty of opportunities for student growth as they deal with good and bad situations. We will do our best to promote the good and hinder the bad.
3. Please do not send your child to OBI with expensive electronics, shoes, clothes, jewelry, or other items. This is for your child’s benefit and to not tempt other students.
4. Please encourage your child to get involved in extra-curricular activities. Students typically do better at OBI when they are involved in a variety of activities.
5. Read the Student & Parent/Guardian handbook carefully and contact the appropriate personnel as questions or concerns arise. Remember, we don’t believe everything your child says about you, so please be careful in believing everything that your child says about staff. A few good responses for parents are below.
6. Recommendations on how to respond to your child on the phone.
 - a. If you are going to give your child upsetting news, please let the houseparent know ahead of time so they can be prepared to help your child process the information.
 - b. When your child complains about an unfair situation, ask, “**So, what can you do?**” This puts the situation and the growing experience back on the child and addresses the issue. You may need to give them some helpful hints.
 - c. Another wise response is, “**So, how did that work out for you?**” Once again this keeps you out of an emotional trap and forces your child to learn how to handle difficult situations.

Education Standards and Testing

1. OBI strives to meet or exceed all standards for Evaluation as specified by National Council for Private School Accreditation (NCPSA), Kentucky Non-Public School Commission (KyNPSC), and the Kentucky Department of Education (KDE).
2. We follow the state of Kentucky school guidelines and exceed the minimum of days (170) required by law. See KRS 158.070 and 702KAR 7:130.
3. OBI complies with Title IX in academics and athletics.
4. OBI students are annually assessed using the Iowa Test of Basic Skills for K-8 students, the Pre-

ACT for students the 9th and 10th grades and the ACT for 11th and 12th grades. This testing is utilized to achieve the goal of educational improvement. The SAT and the TOEFL can be scheduled through the Guidance Office.

FACTS/RenWeb

1. RenWeb gives you access to your child's grades, schedule, and attendance.
2. RenWeb may also be used to update contact information, make changes to your emergency contact and pick up lists and pay your bills on-line.
3. To sign up for access to RenWeb go to www.oneidaschool.org. The link is currently located under the Parent/Student tab. (It will be located on the home page on our new website, coming soon!)
4. If you need help with your user name and password, contact the School Counselor.
5. You will receive an email about your child's grades weekly and after each marking period.

Billing Statements

The cost of caring for your child is much higher than the entrance fee and room and board you have agreed to pay. The support of our many donors and volunteers makes this possible.

1. As long as your child is enrolled, the room and board charge will remain the same even when your child is absent from campus or away on break.
2. Your billing statement will be e-mailed to you on the 15th of each month and payment is due by the end of the month. If you do not have an e-mail address, please contact the Student Billing Office to request that your statement be mailed.
3. Payments can be made on-line or by mailing us a check or money order. To pay on-line, log in to your RenWeb account and follow the instructions. If you are mailing us a check, please make it payable to Oneida Baptist Institute and write your Family ID on the "for" line of the check. (Your Family ID is located near the top right of your statement.) Please mail the check to the following address:

Attn: Student Accounts
Oneida Baptist Institute
PO Box 67
Oneida, KY 40972

4. No transcripts or other records will be sent to another school until you have met all of your financial obligations to us and all payments have cleared your bank. Please be advised that we are not governed by the Federal Educational Rights and Privacy Act since we receive no funding from the U.S. Department of Education.
5. If you fail to meet your financial obligations to us, you may be asked to remove your student once your account is 30 days past due.

New Students – The First 30 Days

Your child's adjustment to OBI:

1. Remember, there will normally be some difficulties adjusting to a boarding school environment. Your child, however, is likely to greatly exaggerate most problems. By leaving your student with us, you have demonstrated that you have confidence in our ability to care for him/her. If your child does tell you something that is really alarming, feel free to call the appropriate personnel and share your concern.
2. It is natural for both the parent and student to be homesick, and it will take time to adjust. Please communicate with your child that they will be required to wait 30 days before being allowed to go home.
3. Students occasionally threaten to run away. If this happens, direct them to inform a houseparent, Dean of Students, or Principal of their desire to leave. Then, immediately notify a houseparent of your concern.

Telephone Calls

1. Parents/Guardians may call their child in the dormitory. (Phone numbers are on the Contact page.)

2. Profanity, abusive language, or yelling is prohibited.
3. The dormitories normally accept calls until about 15 minutes before bed check. Students soon establish a routine and tell parents the best time to call.
4. Please be patient when calling. If there is no answer, remember that houseparents are attending to the needs of students. Staff are not always in the dorm office to answer the phone.

Lost/Stolen Items

1. **We do not recommend your child bring expensive jewelry, clothing, shoes, or electronic items** to the dorm, as theft and/or student irresponsibility can be an issue.
2. If you do send your child to OBI with expensive items, we strongly advise that the items be covered by the parent's/guardian's homeowners' insurance.
3. Parents/guardians should retain a copy of all serial numbers and serial numbers of all electronics must be recorded in the dorm office.
4. We will not be responsible for lost, stolen, or damaged items.

Visitor Policy

In order that OBI may provide protection and privacy for all its students, OBI personnel must know who is on campus and the purpose of their visit. The term "visitor" will apply to anyone who is not a student or staff member of OBI. Any visitor at any time may be required to show a valid government issued photo ID.

All visitors to OBI must adhere to the following policies:

1. **Campus Hours:** Our campus is open for visitors from 7:30 AM to 4:00 PM, Monday-Friday. Our campus is closed for visitors from 4:00 PM to 7:30 AM, Monday-Friday, and all hours Saturday-Sunday.
Exceptions:
 - a. attending a scheduled event as a spectator.
 - b. dropping off or picking up their student(s) from an extracurricular event or practice.
 - c. picking up or returning their student to the dorm.
 - d. pre-approved to visit their student in the dorm.
 - e. pre-approved for any other reason.
2. **Sign In:** During visiting hours, visitors must stop at the guard shack and sign in and receive a visitor's pass. If a visitor is found on campus without a visitor's pass, they may be asked to leave campus.
3. **Sign In During Closed Hours:** During closed hours, visitors must check in at one of the dorm offices. All visits to campus during closed hours should have been pre-approved with OBI Administration. If a visitor did not have pre-approval, the dorm personnel will have to seek approval from the Administrator on-call. If the dorm personnel do not get approval for the visitor to be on campus during those times, the visitor must leave campus.
4. **Only Visit Public Areas:** Visitors may not be in rooms or other locations on campus that are not open to the public.
5. **Individuals who have committed a sex crime or a criminal offense against a victim who is a minor** are not permitted on campus at any time without advance written permission from OBI's president.

All visitors must follow all OBI school policies and all requirements that the school in its discretion may impose on campus visitors. OBI reserves to the right to review and change these policies as needed. OBI Administration reserves the right to revoke visitation by any visitor who fails to comply with school policies, as well as those visitors who fail to cooperate with OBI personnel or who object to the directives of OBI personnel.

Illness & Injury

We know that it is a difficult time for parents when their student is ill; there is no substitute for a parent's tender loving care. Be assured that we have certified EMTs on call 24-7 and a student healthcare coordinator

who oversees all student healthcare needs. Your child's safety and well-being is our top priority. The following is a list of procedures we follow when a student becomes ill or injured.

1. If your student is ill or injured, he/she should go to his/her houseparent before or after school. If the student becomes ill or injured during the school day, he/she should go to the academic office.
2. If the houseparent feels that your student is too ill to go to school, activities, church, etc. the houseparent will put your student on bedrest.
3. If a student is placed on bedrest, his/her condition will be monitored by the houseparents with oversight by the health care coordinator.
4. If your student is taken off campus for medical care, the parent/guardian will be contacted.
5. All charges related to medical needs (including transportation) are the custodial guardian's responsibility.
6. The treatment of some medical conditions may necessitate a medical withdrawal for the student, either temporarily or permanently.

Medication

OBI is not responsible for the refill of any medication. Acute illness and/or injury medications will be obtained at the time they are prescribed (i.e. antibiotics). The parent/guardian should see that ALL maintenance medication is on campus without interruption. If the student is on maintenance medication and an interruption of more than seven (7) days occurs, we ask that your student be withdrawn from OBI. If the doctor orders a medication to be discontinued or changed in any way, a statement from the prescribing doctor is required. SEE ALSO the Medications section in the Dormitory Guidelines section of this handbook.

Emergencies

1. Before informing your student of an emergency, we ask that the custodial guardian explain the nature of the emergency to the houseparent, so the houseparent will know how to comfort the student once he/she is off the phone.
2. If the emergency is the death of a family member or friend, the student should not be told directly. Instead, notify the Dean of Students, who will discuss with the caller the best way to handle the situation.
3. Houseparents are always on duty but not always in the dorm office. Telephones are not manned around the clock. For telephone numbers, please refer to the telephone list on the last page of this handbook.
4. If your student leaves campus without permission, OBI will contact the custodial guardian and appropriate authorities. Please assist us by doing the following:
 - Remain in a neutral location where the student, school or police may contact you. Rest assured that as soon as the student is located you will be contacted.
 - If your student contacts you, make certain he/she is in a safe place. If not, assist him/her in looking around to see if they can visually see a place of safety. Get the location. If they can safely remain where they are, encourage them to stay there. Contact OBI immediately.

Discipline

1. It is of extreme importance that custodial guardians cooperate and support the OBI administration in the areas of discipline.
2. Concerns regarding the appropriateness of a disciplinary action should be discussed with the Dean of Students or Principal, not with the student.
3. Custodial guardians will **not** be notified every time a student is disciplined.
4. Various forms of discipline are used to correct students' misbehaviors. These may include being campused (grounded), revocation of privileges, extra hours of work, essays, suspension, etc.

Expulsions

1. When a student is expelled, the custodial guardian will be notified by the Dean of Students. **That notification is official and final.** Remember, custodial guardians have signed an agreement to remove their student from campus within 24 hours after notification of expulsion.
2. If a student says he/she is expelled, disregard those comments until you hear from OBI. Sometimes a

student will decide he/she wants to go home and may try to make the custodial guardian come to get him/her.

3. The school does not tell students they are being expelled and they should not know until the custodial guardian arrives to get them. It is imperative that you **DO NOT** notify your student that he/she has been expelled. The student's actions prior to leaving greatly affect whether or not he/she can re-enroll at a future date and can prevent involvement with law enforcement. Your student will be told immediately prior to his/her departure.
4. Normally, it takes only half an hour for a student to pack his/her belongings. Custodial guardians may wish to bring extra containers for packing.
5. Students are responsible for packing all of their belongings and taking with them as much as possible when they leave. Any remaining items will be boxed and shipped once the necessary funds have been deposited with the OBI business office. The houseparents are under no obligation to search for items that the student may have loaned out or traded.
6. A student who is expelled may not return to the campus without permission from the administration.
7. After completion of two full quarters away, OBI will consider a request for readmission after receiving the following documents from the student: an application for admission, a handwritten letter stating why he/she wishes to return to OBI, how his/her behavior has changed, what he/she has learned during his/her absence, how he/she plans to behave if accepted for readmission (etc.), a transcript, and all disciplinary records.

AHERA Annual Notice

OBI complies with the Asbestos Hazard Emergency Response Act (AHERA-EPA 40 CFR Part 763). Contact the OBI Maintenance Director to view OBI's Asbestos Management Plan.

Travel and Transportation

Dormitory students and their parents/custodial guardians are responsible for arranging transportation to and from the campus for all breaks, and when enrolling or leaving at the end of the school year. Depending on where you live, you may find that transportation will be the costliest part of your child(ren) attending our school.

General Rules—Transportation

1. The four required breaks are fall break, Christmas break, spring break and summer break. Please refer to the school calendar for dates and times. Please do not ask if your student may leave early or return late. For the summer break: If your student is playing a spring sport, check with the coach before arranging end-of-year travel plans. Some sports compete beyond the last day of school.
2. **Students must never leave the campus without being signed out!**
3. Anyone picking up a student must have a valid photo ID. OBI administration reserves the right to deny someone taking a student off campus if safety or security is at risk.
4. Dorm students will not be released to any driver under the age of 21.
5. The dorms will close at 3:00 PM at the start of required breaks and not reopen until 9:00 AM at the end of required breaks. A \$20.00 per hour late fee will be charged for students not picked up by 3:00 PM at the start of required breaks.
6. Travel plans for the next break are expected to be made by the end of the current break. This includes tickets and driver name for on campus pick up or if they are being met at the airport.
 - The Student Travel Plans form is the simplest way to do this. The Student Travel Plans form is available in FACTS/Renweb and on the school website. You may email transportation information and/or questions to deanofstudents@oneidaschool.org. Travel plans that are not completed four weeks before a break will incur a fee.
7. Special permission is needed if you plan for your student to ride with anyone other than the person who enrolled him/her or those listed on the Authorization for Student Sign-Out.
 - The student's custodial guardian must send written permission with a signature to the school. Scan your signature into an email to deanofstudents@oneidaschool.org, fax (606-847-4496) or send a letter noted as "authorization for pick up."

Current Travel Options for dormitory students:

1. **Pick Up/Drop Off On Campus** - The school must know who will sign the student out, and they must be on the Authorization for Sign Out section on FACTS/RenWeb.
2. **Carpool** - You may email the Dean of Students and give permission for your name and contact information to be shared with families in your area. An email will be sent to connect any interested, and then it is up to the group to decide who will drive each time, or how you will share in the transportation. You must add each pick-up driver to your student's Authorization for Sign Out on FACT/RenWeb. If you want your student to have travel money, you should send money or a debit/credit/gift card to your student for that purpose. The school will not distribute travel money.
3. **Meet At Airport** - If space is available, we will allow your student to ride to/from the Lexington airport with our students that are flying (required breaks only). You will need to include that choice on your student's travel plans when they arrive from each break. Students with flights will be assigned buses based on their flight times, and students meeting at the airport will fill in the spaces. They will sign a transportation form on the bus each way, and the fee will be added to your school billing.
4. **Cab Services** - There are many cabs that operate out of Lexington and are parked outside the airport. You must prearrange payment and times with them. The following companies have come to our campus, but you may find others:
 - a) Airport Shuttle/Cornett Cab in Lexington, KY 859-967-6195
 - b) Khan Russell 859-489-0312

5. **Air Travel** - Transportation by OBI to and from Lexington, KY is available on required breaks ONLY. See *Transportation Fees* below. Please note the following reminders concerning air travel:
- AGE - Each airline has its own rules about minimum age and escort age. If your student is under 16, you need to check this before you purchase tickets. The airline will charge an additional fee if your student must fly as an unaccompanied minor.
 - You must pay the airline fee before we take your student to the airport.
 - OBI will charge \$50.00 each way to provide the required escort for that student.
 - The escort will sign the student over to the airline personnel before boarding and stay until his/her flight leaves. On return, the escort will sign for the minor at the gate when he/she arrives.
 - Be sure you give the correct name for the OBI escort and who is meeting the student on your end.
 - TICKETS - Check various websites to compare ticket costs and times. Email the airline name and the confirmation number to deanofstudents@oneidaschool.org.
 - CHANGES - Many times there are flight delays and sometimes cancellations. If your student rides OBI transportation, we will help your student check in at the airport. After that, if there are flight changes, they will need to contact their parent/guardian for direction. For unaccompanied minors, the escort will notify you of the change. On return flights, please call the dorm with any delays or cancellations.
 - LUGGAGE – Check the Airline rules about luggage as a few have changed recently. Some airlines will let you pre-pay luggage when you purchase the ticket. Most are trying to go “cashless” at the airport and will only accept a credit/debit card to pay for luggage at check-in. Others charge extra if paid at departure. Most students should be able to travel with only a carry-on since they are not required to take everything home. However, at least one airline has started charging for carry-on size bags and only allow one free bag that will fit under the seat.
 - TRAVEL MONEY for food/beverages is required for students taking public transportation. You need to provide a debit/credit card or a Visa type gift card with a minimum \$25 balance if flying.
 - Some advice as you consider the amount of travel money to provide for your student:**
Delays and/or long hours of travel make it necessary for your student to have food/emergency money. One year, we had a lot of snow, and flights were cancelled until the next day. Most students only had \$25.00 in travel money, which is not enough for multiple meals in an airport. Remember, once your student (non-minor) has been transported to the airport, they are your responsibility. If students must stay overnight in an airport because of missing a connection, the airline might provide a motel, but your student will still need food money.
 - ID - TSA requires persons over 18 to have a government-issued ID. This can be a passport, state ID or driver’s license. OBI can provide student IDs for those under 18, but they must be turned back in upon return to campus. There is a charge for reprinting lost ID cards.
 - SCHEDULES - Students should not leave before school is dismissed. If leaving early is necessary because of their flight, they must get prior approval from the principal. The parent/guardian will need to arrange transportation with a cab/limo service. OBI transportation leaves after school is dismissed.
 - TERMINAL – The Lexington airport is relatively small and is easy to navigate. On outgoing flights, the student should go through security about one hour before their scheduled flight departure. There are food services upstairs. Upon return from break, students should go straight to baggage claim and wait in the seating area closest to baggage for OBI transportation.
 - BEHAVIOR - Please talk to your student about how he/she should behave. Their poor behavior could require you to make personal travel arrangements to and from our campus or lead to their expulsion. Security at the airport takes behavior very seriously. Whether your student is flying or being met at the airport they should know how to behave to avoid problems.

OBI Transportation Schedule

OBI has limited transportation available at specific times and is billed according to our fee schedule. If your student's travel does not fall in our transportation schedule you will need to arrange pickup by personal car, cab or limo service. Be aware few cabs will provide escort service for minors.

OBI transportation is only available after school is dismissed (outgoing) and before bed check (returning).

Start date of break

Lexington Bluegrass Airport- Schedule flights to depart after 2:30 PM.

If there are less than 5 students a local cab service may be used.

Return from break

Lexington Bluegrass Airport- Schedule flights to arrive before 6:00 PM.

The number of buses will depend on how many returns we know about in advance.

Note: Arrivals other than these times will need to have money for cab fare, which could be up to \$400.00.
