

## OBI Athletic Hall of Fame Nomination Criteria

The purpose of the OBI Athletic Hall of Fame is to recognize and honor our outstanding coaches and athletes.

The Hall of Fame Committee consists of the President, Principal(s), Athletic Director and coaches who have coached a state-recognized sport for five years or more at OBI and are still employed by our school. Nominations may be made by any person. The inductees will be chosen by the Athletic Hall of Fame Committee.

Requirements for eligibility for nomination of an athlete:

1. The nominee must have been outstanding in one or more sports while a student at OBI.
2. The nominee must have left OBI in good standing.
3. A nominee must have graduated from high school--not necessarily from OBI--at least five years before he/she is inducted into the Hall of Fame. Only his/her OBI achievements will be considered.

Requirements for eligibility for nomination of coaches:

1. Any coach whose team wins a KHSAA-sanctioned state championship is automatically considered for induction.
2. Any other coach to be considered must have been a varsity head coach at OBI for at least three years.

Additional requirements for eligibility for nomination:

1. Nominee must be present at the induction ceremony. If unable to attend due to illness, the nominee may be represented by a family member.
2. The nominee may be someone already deceased. In this event, he/she will be represented by a family member at the induction ceremony.
3. Persons interested in nominating a former OBI athlete or coach should include with the nomination form any items of documentation that make the nominee worthy of consideration. Examples: newspaper clippings, statistics, a picture of the nominee—preferably a photo made at or around the time the person was at OBI)
